A Match On Dry Grass

"A Match on Dry Grass locates the problems of public education as residing squarely in unequal power relations in a socially and economically stratified society. The diverse and engaging accounts of successful organizing efforts show that relational power develops where community organizing becomes a way of life without which sustained progressive educational change is neither possible nor desirable.

A Match on Dry Grass: Community Organizing as a Catalyst ...

A Match on Dry Grass argues that community organizing represents a fresh and promising approach to school reform as part of a broader agenda to build power for low-income communities and address the profound social inequalities that affect the education of children. Based on a comprehensive national study, the book presents rich and compelling case studies of prominent organizing efforts in Chicago, New York City, Los Angeles, Denver, San Jose, and the Mississippi Delta.
