Birth and breastfeeding : rediscovering the needs of women ...

An inner-city neighbourhood of Regina, Saskatchewan continues to have recurring issues of drug and alcohol use affecting parents' caregiving opportunity. In relation to this, many children, mostly of First Nations descent, are raised in out-of-home care away from their families. With the promotion of breastfeeding, in a neighbourhood prenatal/postnatal support program, breastfeeding rates ...

M, Uvnas-Moberg K. Maternal analgesia during labor disturbs newborn behavior. Effects on breastfeeding, temperature, and crying.

The Birth of a Breastfeeding Baby and Mother

Michel Odent writes about the connection between childbirth and breastfeeding in Birth and Breastfeeding: Rediscovering the Needs of Women during Pregnancy and Childbirth (Health & Healing). Birth is perhaps one of the most significant things that can affect breastfeeding that gets the least amount of attention.

Birth and Breastfeeding

Some give birth via caesarean section, while others use drugs that not only block the release of these natural substances, but do not have their beneficial behavioural effects. 'This unprecedented situation must be considered in terms of civilization', says Odent, and gives us urgent new reasons to rediscover the basic needs of women in labour.
