'Capitalism as Religion.'. It develops on Walter Benjamin's thesis that capitalism is an extreme form of religion by considering the role that money plays in the capitalist cult. Agamben argues that the theological content of capitalism was clarified by the end of the gold standard in 1971 because money no longer referred to a concrete thing whose

Abstract. Benjamin's  
fragment 'Capitalism  
as Religion', written in  
1921, was only  
published several  
decades after his  
death. Its aim is to  
show that capitalism is  
a cultic religion,  
without mercy or truce,  
leading humanity to

It is an astonishing  
document, directly  
based on Max Weber's  
Protestant Ethic and  
the Spirit of Capitalism,  
but - in ways akin to  
Ernst Bloch or Erich
