### Childrens Welfare And Childrens Rights

Children in foster care and others dependent on public child welfare systems have important legal rights under the United States Constitution and federal and state law, including: The right to be protected from abuse, neglect, or other maltreatment in foster homes, group homes, and other placements.

### Your Rights - Children's Rights

There are many reasons for singling out children's rights in a separate human rights Convention: Children are individuals. Children are neither the possessions of parents nor of the state, nor are they mere people-in-the-making; they have equal status as members of the human family. Children start life as totally dependent beings. Children must rely on adults for the nurture and guidance they need to grow towards independence.

### Child rights and why they matter | UNICEF

Thirty years ago, world leaders made a historic commitment to the world's children by adopting the United Nations Convention on the Rights of the Child - an international agreement on childhood. It's become the most widely ratified human rights treaty in history and has helped transform children's lives around the world.
