Conflict Human Needs Theory Springer

Necessitous Man and Conflict Resolution: More Basic Questions About Basic Human Needs Theory

Conflict: Human Needs Theory | SpringerLink

But changing human sensibilities, circumstances and concerns have robbed these theories of their utility. Out of the ruins and scattered debris of these theories has now emerged, Sphinx-like, a new theory claiming to put an end to all theories by indicating how a perfect society of perfect individuals could be realized. This is human needs theory.

Social Conflicts and Needs Theories: Some Observations ...

The appeal of Needs Theory is that it offers additional support and a fresh perspective for the appropriateness and utility of the problemsolving approach to conflict resolution.

Needs Theory, Social Identity and an Eclectic ... - Springer

This chapter adopts a fundamentally practical approach to the conception of Basic Human Needs and its attendant theorizing — an approach which arises from my own major interest in the nature of social (mainly international) conflict and its solution.

Conflict: Human Needs Theory | John Burton | Palgrave ...

Abstract. According to Burton, in his opening remarks to our conference, the phenomenon called deep rooted conflict “involves cases of conflict ... that arise out of demands on individuals to make certain adjustments in behavior that are unacceptable, and probably beyond human tolerance and capabilities.”

Conflict and Needs Research | SpringerLink

Abstract. The majority of readers of this Conflict Series, and of this Volume in particular, will understandably be surprised at the emphasis on “human needs” and that human needs theory is the framework of the Series.

Introduction | SpringerLink

Part of the The Conflict Series book series Abstract Individual psychology discovers the existence of basic human needs in connection with the search for an explanation of individual pathology. 1 Social thought discovers basic needs in the quest for the causes and cures of social disintegration.

Basic Human Needs Theory: Beyond Natural Law - Springer

Abstract. It is becoming increasingly evident that if needs theory is to prevail as a viable part of social theory it must have an ontological grounding which hopefully will provide a basis for agreement among scholars and help silence the critics.

The Conflict Series | Springer

If the human needs thesis is false, if it is human aggression that is the problem, then there must be reliance on coercive means of social control to avoid conflict. It is only if needs satisfaction is the problem that conflict resolution can be justified as a process.

Conflict Resolution: The Human Dimension - John W. Burton ...

We find that while both movements demonstrate competitive victimhood, they are also qualitatively different. Due to differences in threat, power, and history of those the movements advocate for, each movement demonstrates different needs (Burton, Conflict: Human needs theory, Springer, 1990).

Competitive victimhood as a lens to reconciliation: An ...

Human needs theory stipulates that there is more likelihood of conflict and violence occurring as a result of unmet human needs, psychological and physiological, rather than that of interest, as people strive to fulfill their needs (Burton, 1990a: 18).

Ethical Evaluation of African Religiosity amidst Violent ...

This edited volume presents selected papers capturing Herbert Kelman’s unique and seminal contributions to the social psychology of conflict analysis and resolution, with a special emphasis on the utility of concepts for understanding and constructively addressing violent and intractable conflicts. Central concepts covered include perceptual processes, basic human needs, group and normative processes, social identity, and intergroup trust, which form the basis for developing interactive ...

Herbert C. Kelman: A Pioneer in the Social ... - Springer

Human needs theorists argue that one of the primary causes of protracted or intractable conflict is people's unyielding drive to meet their unmet needs on the individual, group, and societal level. F For example, the Palestinian conflict involves the unmet needs of identity and security.
