A punis a joke that makes a play on words, typically by using words that sound similar but have different meanings. It can also use different meanings of the same word to make the saying funny. While some puns will likely only be understood by adults, funny punsfor kids a great way for young ones to learn how to play with language too.

### Examples of Puns for Kids - Your Dictionary

A punis a joke that makes a play on words. A pun makes use of words that have more than one meaning, or words that sound similar but have different meanings, to humorous effect. The rhetorical term for punning is paronomasia, which literally means "to call a different name." Puns rely on several types of words to work, words that are similar in spelling, sound or meaning, such as homophones, homonyms, and homographs.
