Beyond the Law of Attraction: Demystifying Your Crush With Science. In Kabbalah, the system of ancient Jewish mysticism, it's said that men and women are half-souls—each an equal part of a whole that can only reunite through matrimony. Nowadays, we might say it's not necessary to be legally wedded nor straight to experience that seemingly divine bond.

Beyond the Law of Attraction: Demystifying Your Crush With ...

All of your senses are involved in attraction more than you might think. Three of the most prominent and responsible ones are sight, smell, and hearing. Obviously, looks play a huge role in attraction. Although the definition of beauty varies among cultures, there are some characteristics that scientifically, everyone is more or less drawn to.
