Economic Activities Of The Khoikhoi

The Khoikhoi kept large herds of "fat-tailed sheep, long-horned cattle, and goats" (Boonzaier). Their livestock was primarily used for milk, and were only slaughtered during ritual occasions. It was customary for men with no livestock to work as "servants" for wealth livestock owners.

The Khoikhoi - Economy

Khoi - Economy Subsistence and Commercial Activities. Although subsistence activity was centered on the care of herds of sheep and cattle, hunting and the collection of wildplant foods were also important. In general, cattle were only slaughtered for ritual purposes, but their milk was an essential part of the diet.

Economic Activities Of The Khoikhoi | necbooks.us

Various tribes could and did unite against the common enemy, the most notable episode being the Khoikhoi War of Independence (1799-1803). Although ultimately unsuccessful, it showed that the Khoi were capable of mobilizing the support of many different tribal groupings (in this particular case, they also joined forces with Bantu-speaking Xhosa ...

Sociopolitical organization - Khoi

Khoikhoi people Economy Although known as herders or pastoralists, the Khoikhoi also obtained food by hunting and gathering. The sharing of food was an important aspect of village life. Any significant kill was shared, and sheep or cattle killed during ceremonial feasts were eaten by all present.

THE KHOIKHOI (HOTTENTOTS): THE FIRST PEOPLE OF SOUTH AFRICA

Though they both had chiefs, the San chiefs' role had little powers, but the Khoikhoi chiefs, to a very smaller extent had powers to convict and punish an offender or criminal. Whereas the San depended largely on hunting and raids, the Khoikhoi cultivated a few crops, domesticated sheep and cattle.

Differences and similarities in the socio-economic and ...

It is probable that the Khoikhoi were people derived from the aboriginal hunters of southern Africa - most probably, on linguistic grounds, those hunters who lived in northern Botswana. It was in this area that they changed their economy and became herders.

The Khoikhoi and the San

They traded tobacco, copper and iron with the Khoekhoe -speaking clans of the region, in exchange for fresh meat. Local population dropped after smallpox contagion was spread through European activity. The Khoe-speaking clans suffered high mortality as immunity to the disease was rare.

Khoekhoe - Wikipedia

When the Khoikhoi started to trade some of their stock, a contradiction within the trading partnership with the Dutch began. Theft, coercion and non-productive exchange (livestock for alcohol, copper, beads etc) loss of stock produced a downward spiral that the Khoikhoi could not break.

The Khoikhoi and the San

Formerly their economy was based on herding, hunting, and gathering. Although some independent families still lead a nomadic pastoral life, the majority have settled and live by selling their labour; they have adopted the material equipment, dress, language, and general mode of living of their Europeanized rural environment .

Khoekhoe | people | Britannica

In the southern and western parts of the country, San (Bushmen) peoples led nomadic lives based on hunting and the Khoikhoi (Hottentots) peoples led a pastoral existence. In the first half of the 20th century, agriculture and mining were the largest parts of the South African economy.

Economic history of South Africa - Wikipedia

The political, social and economic organization of the Khoi Khoi and the San - These are two of the earliest communities of people to arrive in Southern Africa. - The Khoi Khoi were called Hottentots by the early Europeans that came to Southern Africa. - The San were called Bushmen.

eLimu | Political developments and systems

Economic organization The Khoikhoi were nomadic and largely grew no crops for food. They moved from place to place in search of pasture and water for their animals. They were great herders who kept large flocks of fat tailed sheep.

How the Khoikhoi society was organized Political Organization

Economic activity is the activity of making, providing, purchasing, or selling goods or services. Any action that involves producing, distributing, or consuming products or services is an economic activity. Economic activities exist at all levels within a society. Additionally, any activities involving money or the exchange of products or ...

What is economic activity? Definition and examples

In the late 16th century the Cape had become a regular port of call for the crews of European ships, who found local people (Khoekhoe) ready to barter cattle in exchange for iron, copper, beads, tobacco, and brandy. By the mid 17th century Khoekhoe intermediaries traded far into the interior.

Southern Africa - European and African interaction from ...

There is evidence of intermarriage both between Khoikhoi and San populations and with colonial slave populations, as well as with Bantu-speaking farmers and white settlers. This created a degree of fluidity in Khoisan identity, in terms of both economic activity and language.

Khoisan Identity | South African History Online

Intellectual Curiosity. Previously thought a rather primitive group of humans, the Khoikhoi legacy was given a boost of self-confidence when a Khoisan mummy was excavated by Dr Johan Binneman of the Albany Museum (Dispatch)."The mummy," says the deputy director of arts and culture in the Humansdorp area, John Witbooi, "had been preserved with plants, [showing] the intelligence of the Khoi ...
