Some people call it the soul, but in this book it is referred to as the Self. And this essay is all about the relation between the ego and the Self, which in Jungian psychology is called the process of individuation, i.e. the intimate relation that we should all strive to develop with the Self. This is a prerequisite to have a healthy psychic life.

Amazon.com: Ego and Archetype: Individuation and the ...

Ego and Archetype emphasizes that (1) God is directly experienced within, at the core of the human psyche, that (2) spiritual maturation requires a radical shift away from narrow ego focus and towards subordination of the ego to God-within and that (3) maturation is accomplished only if the individual squarely faces and confesses the almost unbearable inadequacies, pretensions and selfishness of the unguided ego.

Ego and Archetype: Individuation and the... book by Edward ...

Speaking generally, the individuation urge promotes a state in which the ego is related to the Self without being identified with it. Out of this state there emerges a more or less continuous dialogue between the conscious ego and the unconscious, and also between outer and inner experience.
