Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

ANSWERS TO END-OF-CHAPTER PROBLEMS CHAPTER 1 Quick Check 1. a. True. b. True. c. True. d. Uncertain. It is true that the growth of output per worker increased in the mid-1990s, but economists disagree about the degree to which this increase in growth will persist. The growth of output per worker fluctuates a great deal from year to year, which makes it difficult to draw inferences from the data.
