HISTORY | definition in the Cambridge English Dictionary

The United States constitution is a historical document. The definition of historical is something that provides evidence to the facts of history or is based on people and events of the past. An example of historical is a document like the Declaration of Independence. YourDictionary definition and usage example.

Historical dictionary definition | historical defined

A history is a chronicle of events, like the history of the United States' mission to put a man on the moon, or the world history class that you have to memorize all those dates for. History is a noun to describe past events, or an account of something, like the history of New York City. When you describe something as having a history, you're implying it has an intriguing past.
