library, both purchased and free. You can also get this information by using the My library link from the Google Books homepage. The simplified My Google eBooks view is also what you'll see when using the Google Books app on Android.

Illegal Bettina Restrepo

In *Illegal*, Bettina Restrepo wrote a heart-shattering and realistic example about the American Dream. Nora could never had imagined what her father went through when he left his country, until she experienced it herself. Not speaking English, meant she had to work at a pool stand selling snacks while other kids her age went to school.

Illegal Bettina Restrepo

Bettina Restrepo received a BS from the University of Texas at Austin and is the author of a picture book, Moose and Magpie. She worked as an internal auditor in the Hispanic supermarket Fiesta Mart, which is portrayed in this book. There she examined firsthand the challenges in the nuances of life for illegal immigrants.

failure for farmers in Cedula, Mexico.

LibrisNotes: Illegal by Bettina Restrepo

Bettina Restrepo's gripping, deeply hopeful debut novel captures the challenges of one girl's unique yet universal immigrant experience. (from GoodReads) Review: I was intrigued by the synopsis of Illegal because I think illegal immigration is an issue that divides a lot of people and always ends up being the subject of every presidential debate. Regardless of your views on this important topic, it's always good to read about the people who are affected by this the most - the actual immigrants.

Book Review: Illegal by Bettina Restrepo | CherokeeWriter:

Bettina Restrepo is a children's book writer and the author of the new Young Adult novel, *Illegal*.

Bettina Restrepo Writer and creator of stories that matter

In this timely and gripping novel, author Bettina Restrepo exposes the challenges of one girl's unique yet universal immigrant experience. This is an eye-opening look into the harrowing journey a family takes to forge a more hopeful future. Nora is on a desperate journey far away from home.
