Student Assessment & Practice Book 8 - US Edition | JUMP Math

JUMP Math is a numeracy program. JUMP Math is dedicated to enhancing the potential in children by encouraging an understanding and a love of math in students and educators. JUMP Math replaces the self-fulfilling myth that some people are born with mathematical ability while others do not have the ability to succeed with assumptions that all children can be led to think mathematically.

JUMP Math | Every child can learn math and love it!

Each grade-specific workbook also has a corresponding Teacher's Guide; however that is mainly meant for classroom usage. JUMP Math is based on scaffolding of concepts. This means each concept starts out as simple, and then there is a gradual incremental development step-by-step towards more complex and towards mastery.
