Hey guys, looking for the kenwood software KPG-44D FS, it's the fire service version of the software for the TK-790H radio. If someone has it, if you could upload to the site, that would be awesome! I'm on a volunteer FD and would like to program my own radio. Also working on getting my HAM license. Thanks everyone!

What's the difference between the normal version of KPG-44D and the fire service version? Looking to add some channels to a TK-790 that's in our engine and I'd much rather buy the software than pay the dealer \$50 every time we want to add a couple channels or change something.
