50 Things Only Grad Students Will Understand | Fastweb

Traditional graduate programs prepare you for a life as an academic. If you are lucky enough to find a teaching or research job in a university, that's great. But according to the Chronicle of Higher Education, fewer than half of all PhDs will ever hold tenure-track positions – and a good proportion of those won't get tenure. So for most PhDs, the job opportunities lie outside the academy, in the world of business and industry.
