Remote Utilization
Review LVN, LPN, or RN
(Evolut Health)

Evolut Health has a bold mission to change the health of the nation by changing the way health care is delivered. Our pursuit of this mission is the driving force that brings us to work each day. We believe in embracing new ideas, challenging ourselves and failing forward.

Remote Utilization Review LVN, LPN, or RN - The Remote Nurse

Becoming licensed as an LVN is a good idea if you're interested in the medical field but not quite ready to jump in with both feet. It's generally much less expensive than going to school to become an RN, and can be done in as little as 13 months at some LVN schools.

**and Licensed
Vocational Nurses ...**

A licensed practical nurse cares for sick, injured, convalescing, or disabled patients. He or she works under the direction of registered nurses. A licensed practical nurse is commonly called an LPN. An alternative job title for this occupation is licensed vocational nurse, often abbreviated as LVN.
