Drawing upon an ethnography of fake branded garments in Turkey and Romania, Material Culture and Authenticity shows how people can make authentic positions for themselves in and through fake objects.The book will be of interest to students and scholars working in the fields of anthropology, material culture and cultural studies as well as to general readers interested in ethnographic alternatives to biographies of famous fakers and fakes.

Material Culture and Authenticity: Fake Branded Fashion in ...

I studied abroad in The Netherlands this past year, and I am proud to say I learned more about coffee culture in Europe than I did about the subjects I was actually studying (apologies to my professors).. It started on the first morning of class. I didn't know much about Dutch culture, but I assumed that falling asleep in the first lecture was generally frowned upon, so I stopped at a café ...
