### Modern Fortran Explained - Andy Sylvester's Web

Modern Fortran Explained. The new edition of " Modern Fortran Explained " is out. This is the latest in the venerable series that provides an informal but mostly-definitive description of the Fortran standard (of course, the actual ISO standard is not that useful to anybody trying to learn the language, since it's very technical and almost entirely unreadable).

### Modern Fortran Explained - Degenerate Conic

Modern Fortran Explained expands on its predecessor, Fortran 95/2003 Explained. The opening chapters contain a complete description of Fortran 95, extended by Fortran 2003 allocatable array features. Coverage of the other additional features of Fortran 2003 follows, before new chapters on coarrays and the many other enhancements of Fortran 2008.

### Modern Fortran Explained by Michael Metcalf

Modern Fortran Explained expands on its predecessor, Fortran 95/2003 Explained. The opening chapters contain a complete description of Fortran 95, extended by Fortran 2003 allocatable array features. Coverage of the other additional features of Fortran 2003 follows, before new chapters on coarrays and the many other enhancements of Fortran 2008.
