Peace and Parenting changed my life, my relationship with my kids and even my husband. I came to Michelle about two years ago, frustrated and a burned out parent. I found myself, yelling a lot and being the parent I said I never wanted to be. My two children, 6 and 3 were fighting constantly and my youngest, was melting down more often than not.

There are numerous possibilities for families. The following examples of teaching justice by living and doing justice are organized around what we identify as the four components of justice.¹ The second section of this article will focus on peacemaking possibilities for families. The final part will offer resources and strategies for pastors, adult educators, and others who work with families on encouraging families to make peacemaking and justice-seeking an integral part of family life.
