unity and pluralism in education, by giving diversity its due (contra com-munitarianism) while upholding a measure of unity (contra libertarianism and radical multiculturalism) which is located in the democratic and au-tonomy-promoting purposes of education rather than (exclusively) in its economic/vocational purposes (contra neo-liberalism). The discussions

### Pluralism and Unity in Education

Plurality is an antonym of unity. In context[uncountable|lang=en terms the difference between plurality and unity is that plurality is (uncountable) the state of being plural while unity is (uncountable) oneness; the state or fact of being one undivided entity. As nouns the difference between plurality and unity is that plurality is (uncountable) the state of being plural while unity is ...

### Plurality vs Unity - What's the difference? | WikiDiff

The United States is plural, and pluralism is the American identity. Others insisted upon a unitary, singular view, a way to sort out who belongs and who does not. The struggle between these two visions, one of pluralism, one of unity, is the tale told by the images, the sounds and the words throughout this site.
