compatible with any devices to read

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

I have an RCA D52W20 that has trouble turning on. If the TV has been off for any extended period of time, like overnight, it takes many tries to get it to come on. Each try, the TV attempts to light the picture 3 times (power button turns green 3 times with a pause in between each time.) Click here to view the service
