With its low cost and ease-of-use, the eCabinet can augment existing document systems. It will off load much of the manual process these systems require. Since there is no special software to learn and no user license fees to pay, the eCabinet can be strategically deployed to ease departmental operations and cut costs.

If we're talking about the same software package, then you are using the eCabinet document management solution provided by Ricoh? If so, you no doubt have the original installation CD somewhere in your office (perhaps with the Ricoh machine manuals and driver CDs)? The 16-digit serial number should be printed on a sticker on the package.
