That's life for Marathon Basketball, which many people—the ones who have heard of it at all—still refer to as Marathon Oil, recalling the oil company that used to sponsor the team. Marathon is typical of the clubs that barnstorm around the country during November and December, providing the opposition in exhibition tune-ups for college teams.

Louisville's players (64.6% from the line) work with a sports psychologist who urges them to visualize being good free throw shooters for 10 minutes a day (which presumably doesn't count against the 20 hours a week). A better solution might be to have players who are shooting less than 70% try 100 free throws a day.
