A self taught artist from California, Freed has been immersed in art since birth. The son of a multitaled painter and musician, Freed was introduced to many tools and activities that were meant to foster and enhance his creative side. When in the presence of him, you feel the vibe of massive power, leadership, creativity and influence.

The Art of Being Freed LLC - Where Original Originates

Of all of Wendy's McElroy's books, The Art of Being Free might be her most influential and most widely read. The last essay in the book is particularly mind blowing in regards to what she believes is the future of liberty.

The Art of Being a Freethinker | Scott R. Stahlecker

A journalist expands on Alexis de Tocqueville’s cultural critiques of American life. In his earnest, opinionated, and frustrating debut book, journalist Poulos, a columnist for The Week and The Federalist, uses de Tocqueville’s Democracy in America, published in 1835, as a basis for his own “romp through the territory of the American soul.”

The Art of Being Human | ANTH101

The Art of Being teaches us to avoid the tantalizing illusions of our consumer-driven world by learning to function as a whole person from a state of inner completeness or being. The transition from an identity of having to being creates a state of enlightened psychological and spiritual happiness. Fromm observes that the modern person is less ...
