Beautiful artbook for Disney's Big Hero 6 I find this to be an interesting artbook particularly because of the environment designs. About half the book is dedicated to the environment designs which includes the city San Fransokyo, Hiro's house, the cafe, San Fransokyo Institute of Technology, Fred's mansion and the portal. The San Fransokyo is like a character by itself with

The Art of Big Hero 6 supports this. The concentration is upon the development of San Fransokyo, the fictional combination of San Francisco and Tokyo into a complex blend of both metropolises, and upon that of the six main characters, both visually and individually psychologically. Plot details and character backgrounds are ignored as unimportant.
