### The art of inquiry | SmartBrief

The Art of Inquiry The Art of Inquiry is my collection of (often contrarian) thoughts on project management and performance improvement efforts in business and education. I'm a process guy, (some would say process Evangelist) and specifically a disciple of Lean and Agile methods. AND, I'm a contrarian.

### Home - The Art of Inquiry

The Art of Inquiry applies to learning more about ideas, interests and concerns of your colleagues, customers, competitors and vendors. Curiosity leads to questions, and questions are how we bring the Art of Inquiry to life. So why not refer to this leadership practice as the art of questioning? Inquiry is more than asking good questions.

"Out of the Question: Women, Media, and the Art of Inquiry preserves and presents an important and neglected history about the role women research assistants served in establishing media effects as a part of social science research. The film is aesthetically appealing as well as narratively engaging, and I believe the documentary serves as an important cotribution to communication studies."
