The Inverted World Christopher Priest

Inverted World (The Inverted World in some editions) is a 1974 science fiction novel by British writer Christopher Priest, expanded from a short story by the same name included in New Writings in SF 22 (1973). In 2010, it was included in the SF Masterworks collection.

Inverted World - Wikipedia

With Inverted World Christopher Priest has written a work that is beautiful, powerful and profound. These are the words of critic, scholar and science fiction writer Adam Roberts. Equally important, at least for me as someone unacquainted with science fiction, is that Mr. Priest has written an accessible and enjoyable novel.

The Inverted World by Christopher Priest - Goodreads

Not so in Christopher Priest's Inverted World. Not by a country mile. This is a novel, hard on the science but soft on the soul. This is a novel already approaching the half century mark but feeling like it will be written in the 2020's. This is a novel with an A-list idea, but not C-list tricks, no magic, no dei ex machina, no easy 21st ...

The Inverted World: Priest, Christopher: Amazon.com: Books

Inverted World is the closest CP come to writing a traditional science fiction novel, but although it is an early work it already contains elements of his later preoccupations with the nature and reliability of reality. Priest's most translated work, it has been continuously in print for three decades.

Inverted World - Christopher Priest

Christopher Priest's reissued novel Inverted World presents the reader with a city surrounded by high walls and a populace unaware that the entire polis sits upon tracks, pulled by a giant winch in order to stay ahead of a crushing, slowly moving gravity field...You feel the kind of surprise and exhilaration here that you do when a magician reveals (though they're not supposed to) the simple method behind an illusion."

Amazon.com: The Inverted World Christopher Priest

The Inverted World (1974) Christopher Priest ... Contributed by Dan Shawin. About a mobile city that must tap its power from a mysterious 'optimum point', which is less effective for their engines as it gets more distant. Weird distortion of the surrounding world is based on hyperbolic functions. Parts of the yarn get pretty weird, but it is ...

MathFiction: The Inverted World (Christopher Priest)

Masterworks edition "Inverted World will be remembered for many years, I would guess, as one of the few science fiction novels of the 1970s to come up with a new idea. [It] belongs to one of the most popular sub-genres of science fiction: the tale of a man who slowly discovers the true nature of the world in which he lives.

Reviews for Inverted World - Christopher Priest

NYRB Classics recently reissued Priest's 1974 novel, Inverted World, and while much of SF from that era is outrageously outdated (cough Heinlein cough), Priest's work has not aged a bit. Helward...

An Intensely Imagined Future In 'Inverted World' : NPR

Christopher Priest (born 14 July 1943) is a British novelist and science fiction writer. His works include Fugue for a Darkening Island, The Inverted World, The Affirmation, The Glamour, The Prestige, and The Separation.

Christopher Priest (novelist) - Wikipedia

Not so in Christopher Priest's Inverted World. Not by a country mile. This is a novel, hard on the science but soft on the soul. This is a novel already approaching the half century mark but feeling like it will be written in the 2020's.

Inverted World (S.F. MASTERWORKS): Amazon.co.uk: Priest ...

I've started reading Christopher Priest's Inverted World, and from the first page I realized that I have seen a movie which had the same plot. But I cannot remember the title of the movie. Here's a short description of the story: A closed world, more like a city, where people don't know about what's happening outside.

What movie was based on 'Inverted World' by Christopher ...

Christopher Priest's reissued novel Inverted World presents the reader with a city surrounded by high walls and a populace unaware that the entire polis sits upon tracks, pulled by a giant winch in order to stay ahead of a crushing, slowly moving gravity field... You feel the kind of surprise and exhilaration here that you do when a magician reveals (though they're not supposed to) the simple method behind an illusion."

The Inverted World by Christopher Priest - AbeBooks

Inverted World is the first book by Priest I've read, and I found it to be a revelation. The main business here is the building of an outlandishly original fantasy world, artfully revealed to us in provocative flashes by a young apprentice named Helward.
