Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

To A Mountain In Tibet

Colin Thubron's To a Mountain in Tibet is a memoir of discovery and loss, chronicling the author's journey to the holiest mountain on earth, the solitary peak of Kailas in modern-day Tibet. To Buddhists and Hindus, it is the mystic heart of the world and an ancient site of pilgrimage. It has never been climbed.

To a Mountain in Tibet Summary | SuperSummary

Having long been fascinated by Tibet, I was delighted to find Colin Thubron's latest book. His writing is wonderful, full of detail, description, history, religion and personal perceptions. As he takes the reader up to the Mountain the hard way—on foot—the Tibet we encounter is very different from the Western idealisation of a mythic Shangri La. The ...
