Transformers Legacy The Art of Transformers Packaging ...

Legacy is a big melting pot of character designs and personalities from ALL of the different Transformers franchises throughout the years, with a few new surprises thrown in as well. Optimus is definitely the most conservative of the Legacy designs, and for good reason. G1 Prime is undoubtedly the most iconic Transformer in history - the red and blue, the windshield chest, the truck mode - very little has changed throughout his different incarnations.

While the toys were amazing in their own right, what made the packages stand head-and-shoulders above the myriad competing action figures on shelves was the stunning box art. Transformers: Legacy collects hundreds of beautifully airbrushed paintings from the iconic first decade of The Transformers. Hasbro, Takara, and private collectors opened their archives, yielding an unparalled level of quality.
