Description. Pastoral poetry has long been considered a signature Renaissance mode: originating in late sixteenth-century England via a rediscovery of classical texts, it is concerned with self-fashioning and celebrating the court. But, as Katherine C. Little demonstrates in Transforming Work: Early Modern Pastoral and Medieval Poetry, the pastoral mode is in fact indebted to medieval representations of rural labor.

Looking ahead to early 2019. This work sets the table for a very exciting start to 2019. On Jan. 4, we will close SR 99 on- and off-ramps near the stadiums, and the #Realign99 highway closure begins a week later, at 10 p.m. on Jan. 11. This approximately three-week-long closure will give crews time to complete the tunnel's ramps and realign ...
