Why Italians love to talk about food (eBook, 2010 ...

Speaking of Italian mothers, they're usually seen as overbearing and interfering, raising clingy and ill-equipped-for-life mammoni, or mummy's boys.If the stereotype happens to be true and you don't want to look after a man, great - mamma will take care of that! More likely though, is that her years of experience mean she'll be your go-to person when you need a heart-to-heart or the ...

14 Reasons Why You Should Date an Italian

Have a meal with Italians and the most you will hear about food will revolve around its taste, how different it was when their mom made it, and how they would have cooked it (better) instead. Food talk is limited to the first bites though, replaced for the rest of the meal by talk about politics, society, gossip, and family.
